This Memorandum of Coverage does not provide insurance, but instead provides for pooled self-insurance. This Memorandum is a negotiated agreement among the members of the Authority, and none of the parties to the Memorandum have a right to rely on any contract interpretation principles which require interpretation of ambiguous language against the drafter of such agreement. This Memorandum shall be applied according to the principles of contract law, giving full effect to the intent of the members of the Authority, acting through the Board of Directors in adopting this Memorandum. Laws and statutes specifically applicable to regulated insurance activities are not applicable to the interpretation of this contract.

The Authority has the right to deny coverage at any time should a condition of coverage not be met or an exclusion applies negating coverage. The Authority has no obligation to provide notice of such right to deny coverage or the potential of such a denial and no conduct or lack thereof by the Authority shall create a waiver of such right to deny coverage.

The Authority does not provide insurance and is not obligated to provide independent legal counsel to a **Covered Party** under California Civil Code 2860.

Throughout this Memorandum, words and phrases that appear in **boldface** type have special meanings. They are defined in SECTION VI, DEFINITIONS.

Schools Excess Liability Fund, Joint Powers Authority, a California public entity formed pursuant to the State of California Government Code Section 6500 *et seq.*, and other, relevant provisions of California law, hereinafter called the Authority, does hereby agree with the **Named Covered Party**, in consideration of payment of the contribution and subject to the Limit of Liability set forth in the Declarations and other terms of this Memorandum, as follows.

SECTION I - COVERAGES

Subject to the **Named Covered Party's Retained Limit**, the Authority agrees:

- A. To reimburse the **Named Covered Party** those sums for **Ultimate Net Loss** which the **Covered Party** shall become obligated to pay as **Damages**, by reason of liability imposed by law, for each covered loss to which this Memorandum applies, caused by an **Occurrence** during the **Coverage Period**.
- B. To reimburse the **Named Covered Party** those sums for **Ultimate Net Loss** which the **Covered Party** shall become legally obligated to pay as **Damages** for which the governing board of the **Named Covered Party** is required to provide coverage in compliance with the provisions of Section 35208 or Section 72506 of the Education Code of the State of California, to which this Memorandum applies, caused by an **Occurrence** during the **Coverage Period**.
- C. To reimburse the **Named Covered Party** those sums for **Ultimate Net Loss** which the **Covered Party** shall become legally obligated to pay as **Damages** for which the **Named Covered Party** is authorized to obtain coverage under Part 6, of Division 3.6 of Title 1 of the Government Code Section 989 *et seq.*, to which this Memorandum applies, caused by an **Occurrence** during the **Coverage Period**.

SECTION II - DEFENSE AND SETTLEMENT

- A. The Authority shall not be obligated to investigate or to defend any **Claim** for **Damages**, or to pay for or to take charge of the investigation or defense of any **Claim** for **Damages** against any **Covered Party**.
- B. At the sole discretion of the Authority, the Authority shall have the right, but not the duty, to assume defense at any time of any **Claim** for **Damages**. See also SECTION VII – CONDITIONS.
- C. Upon the finding of the Authority that a **Claim**, if not settled, may create indemnification obligations on the Authority, the Authority may have the right to settle such **Claim**. If the **Covered Party** refuses to, or prevents, settlement of the **Claim** for the amount the Authority is willing to pay and the claimant will accept, and such refusal or prevention increases the **Covered Party's** potential liability for **Damages** and continued defense costs, the **Named Covered Party** shall pay for or shall reimburse the Authority for (1) defense costs and any other claims expenses incurred after the **Claim** could have been settled; and (2) for any **Damages** awarded or settlement agreed upon in excess of the amount for which the **Claim** could have been previously settled.

There is no limit to the number of **Occurrences** during the Memorandum **Coverage Period** for which **Claims** may be made.

The **Named Covered Party's Retained Limit** applies to each such **Occurrence** without regard to exclusions, limitations or exhaustion of aggregate limits in underlying or contributing coverage, insolvency of any insurance carrier, insurance, self-insurance pool, or any other circumstances wherein underlying or contributing coverage is uncollectible.
 - 2. For each **Occurrence**, there shall be only one **Ultimate Net Loss** and one **Retained Limit** regardless of the number of claimants or **Covered Parties** against whom or which a **Claim** is made or **Suit** is brought. The **Retained Limit** applicable to such **Occurrence** shall be determined by averaging all of the involved member school districts' **Retained Limits**, combined. Liability for the **Retained Limit** thus

determined shall be apportioned among all of the involved member school districts proportionally according to the amounts of their respective **Retained Limits** under this Memorandum. This subparagraph 2 does not apply in the event that commercial insurance is available to cover the entire amount specified by the **Retained Limit**.

- B. This Memorandum applies to **Occurrences** which take place anywhere in the world during the specified **Coverage Period** stated in the Declarations of this Memorandum.
- C. With respect to liability for **Damages** of the **Covered Party** arising from the conduct or activities of a third party, as between the **Covered Party** and the Authority, the amount of the **Named Covered Party's Retained Limit** as set forth in the Declarations of this Memorandum shall be satisfied in whole or in part (as applicable, depending on how much other coverage is available) by any insurance coverage of said third party/parties which is available and applicable to the liability for **Damages** of the **Covered Party**.

If such third-party insurance coverage exceeds the **Covered Party's Retained Limit**, all of such third-party insurance coverage (whether written on a primary or an excess basis, or written as reinsurance) shall apply to the loss before the Authority's limits hereunder shall attach.

- D. An **Occurrence** with a duration of more than one **Coverage Period** shall be treated as a single **Occurrence** arising during the **Coverage Period** when the **Occurrence** ends, and under no circumstances shall the fact that said **Occurrence** has a duration of more than one **Coverage Period** entitle a **Covered Party** to more than one limit of coverage.

- U. **Retained Limit** means the amount of **Claim** liability for **Damages** covered by this Memorandum, for which the **Named Covered Party** is responsible on a per **Occurrence** basis, after making proper deduction for all recoveries and salvages collectible. The member must incur or become liable for the full amount of the **Retained Limit** before the Authority is obligated, in its sole discretion, to reimburse the member for any covered **Damages** under this Memorandum. The **Named Covered Party's Retained Limit** also includes defense attorney fees and costs incurred by the **Named Covered Party** in defense of the **Claim** to the extent that the **Claim** is potentially covered under this Memorandum, and also includes court costs, allocated loss adjustment expenses, and other associated costs and expenses, but does not include any salaries of the **Named Covered Party's** regular employees, nor any defense attorney fees or costs incurred in the defense of **Claims** for which there was no potential for coverage under this Memorandum.
- V. **Suit** means a civil proceeding in which the recovery of **Damages** is sought. A **Suit** includes a civil action in court; an arbitration proceeding to which a **Covered Party** must submit, or does submit with the Authority's prior written consent, and any other alternative dispute resolution proceeding in which **Damages** are claimed and to which a **Covered Party** submits with the Authority's prior written consent.
- W. **Ultimate Net Loss** as contained in the Declarations of this Memorandum, means the amount of **Claims** liability for **Damages** for which the **Covered Party** is liable, on a per **Occurrence** basis, either by (1) adjudication, or (2) settlement, both requiring prior written consent of the Authority, after making proper deduction for all recoveries and salvages collectible. The **Ultimate Net Loss** also includes defense attorney fees and costs of the **Covered Party** in defense of the **Claim** and also includes court costs, allocated loss adjustment expenses, but does not include any salaries of the **Named Covered Party's** regular employees. **Ultimate Net Loss** shall not include any **Damages** recovered against a **Covered Party**, or defense expenses incurred, because of liability that is not covered by this Memorandum.
- X. **Unmanned Aerial System** means: An unmanned aircraft, including all of the associated support equipment, control station, data links, telemetry, communications and navigation equipment, etc., necessary to operate the unmanned aircraft.

SECTION VII - CONDITIONS

- A. Arbitration: In the event that a question or dispute arises between the Authority and a **Named Covered Party** concerning the applicability of the coverage provided by this Memorandum to an **Occurrence** or **Claim** against the **Covered Party**, the following procedures shall be followed:
1. No party is entitled to appeal or arbitrate claims under this Memorandum other than the **Named Covered Party**, student body organization or auxiliary organization under Section IV – Covered Parties. Specifically, employees and officials are not intended to be third party beneficiaries of this agreement and shall have no right to bring an action against the Authority for a declaration of rights to protection under this Memorandum. The sole remedy of any such **Employee** or official shall be the **Employee's** or official's right to defense or indemnity against the employing **Named Covered Party**, student body organization or auxiliary organization under the provisions of the California Government Code.
 2. Request for Reconsideration. The **Named Covered Party** shall make a written request to the Authority or the appropriate committee to reconsider its position, citing the arguments in favor of the **Named Covered Party** and any applicable case law that applies. The **Named Covered Party** may also request the opportunity to make a personal presentation to that committee.
 3. Committee Appeal. The committee responsible for the program or having jurisdiction over the decision in question will review the matter and reconsider the Authority's position. If the **Named Covered Party** requesting reconsideration is represented on the committee having jurisdiction, that committee member shall be deemed to have a conflict and shall be excluded from any vote.
 4. Board of Directors Appeal. If the **Named Covered Party** is not satisfied with the outcome of the committee appeal, the matter will be brought to the Board of Directors for reconsideration, upon request of the **Named Covered Party**. If the **Named Covered Party** requesting reconsideration is represented on the Board, that Board member shall be deemed to have a conflict and shall be excluded from any vote.
 5. If the **Named Covered Party** is not satisfied with the outcome of the Board of Directors appeal, the next step in the appeal process shall be arbitration. The arbitration may be binding or non-binding, as mutually agreed upon by the parties. The matter will be submitted to a mutually-agreed-upon arbitrator, or to a panel of arbitrators, as the parties may agree, for a determination. If binding arbitration is selected, the decision of the arbitrator or panel of arbitrators will be final and conclusive and the **Named Covered Party** and the Authority will abide by the decision of the arbitrator. The **Named Covered Party** and Authority shall bear the costs of their own representation. The cost of arbitrator(s) and facilities will be shared equally by the involved **Named Covered Party** and the Authority.

- B. Assignment: No purported assignment of rights or interests under this Memorandum shall bind the Authority without its written consent.
- C. Bankruptcy or Insolvency: Bankruptcy or insolvency of the **Covered Party** shall not relieve the Authority of any of its obligations hereunder.
- D. Changes: This Memorandum may not be amended or changed in any respect, nor shall any provision of this Memorandum be deemed to have been waived by the Authority, unless and until a written endorsement which expressly so amends this Memorandum or waives a provision thereof has been duly issued by the Authority and made a part of the Memorandum.
- E. Claims Information: As a condition precedent to coverage hereunder, the **Named Covered Party** will submit accurate loss data regarding all **Claims** to which coverage could apply made against any **Covered Party** within the preceding ten (10) years or within such longer time period as sound underwriting principles require and the Authority's underwriters require, to the Authority at the Authority's request. Such data shall be furnished promptly, and in no event later than thirty (30) calendar days after the Authority requests it.
- F. Contribution Payment: The annual contribution payment shall be due and payable upon inception of coverage and each renewal thereafter. The amount of annual contribution will be based on rates in effect at the inception of this Memorandum and on each subsequent anniversary. Contributions shall include any assessment required by the Authority, in accordance with the Bylaws. The Authority shall not be required to perform any obligations under this Memorandum if all contributions and assessments are not paid in accordance with the Bylaws.
- G. Limit of Liability: As provided in the Declarations, if a sub-limit is specified in any other coverage available to the **Covered Party**, this Memorandum has no obligation to provide any benefits for the **Covered Party** unless and until the **Claim** or **Suit** that is subject to that sub-limit exhausts the **Retained Limit** as shown in the Declarations.
- H. Litigation. If, after following the dispute resolution procedure set forth in paragraphs L. 1. through 5., above, either party is not satisfied with the outcome of the non-binding arbitration process, either party may consider litigation as a possible remedy to the dispute. Such litigation shall be brought in the Superior Court of California in the County of Sacramento.

Under no circumstances shall the Authority be liable for consequential damages, "bad faith" damages, or any sums beyond the amounts due under Section I – Coverages, plus interest at the same rate as the Authority earned on investments for the time period involved.

- I. Notice of Accident or **Occurrence, Claim, or Suit**: The following provisions are conditions precedent to coverage under this Memorandum. The **Covered Party's** failure to comply with any of these provisions shall void the coverage provided herein.
1. The **Named Covered Party** shall notify the Authority in writing within 60 days upon receipt of notice of a **Claim** reportable under Section 3 below, or the setting of a reserve on any **Claim** or **Suit**, including multiple **Claims** or **Suits** arising out of one **Occurrence**, such that the paid plus reserved amounts exceed twenty-five percent (25%) of the **Named Covered Party's Retained Limit**. Written notice containing particulars sufficient to identify the **Covered Party** and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the **Covered Party** and of available witnesses, shall be given by or for the **Named Covered Party** to the Authority or any of its authorized agents as soon as possible.
 2. If **Claim** is made or **Suit** is brought against the **Covered Party**, and such **Claim** or **Suit** falls within the description in paragraph 1 above, the **Named Covered Party** shall be obligated to forward to the Authority every demand, notice, summons or other process received by it or its representative.
 3. Irrespective of the amount of **Damages** sought or the probable dollar value of the **Claim**, all **Claims** or **Suits** served upon the **Covered Party** shall be reported to the Authority no later than sixty (60) days after their receipt by the **Named Covered Party**, or, if the **Named Covered Party** is a member of a joint powers agency which provides risk-pool coverage below the Authority's point of attachment, no later than sixty (60) days after their receipt by said joint powers agency, if they involve any of the following:
 - a. Permanent brain or neurological damage/trauma;
 - b. Head or brain injuries resulting in permanent disorientation, behavior disorders, personality changes, seizures, aphasia or coma;
 - c. Death;
 - d. Paraplegia, quadriplegia, or paralysis;
 - e. Spine or back injuries;
 - f. Major cosmetic disfigurement;
 - g. 2nd or 3rd degree burns over more than 25% of the body;
 - h. Loss of limb, sight, speech, hearing, or other sense;
 - i. Libel, slander, or defamation of character;
 - j. Molestation, sexual assault, or rape;
 - k. Multiple-injury occurrences, including those involving students;

- l. Any class action **Suit**;
 - m. Title 42, United States Code Section 1983 cases in which a complaint has been served and the plaintiff is represented by legal counsel;
 - n. Title VII (Title 42, United States Code Section 2000e, *et seq.*) cases in which a complaint has been served and the plaintiff is represented by legal counsel;
 - o. Any **Claims of Employment Practices Liability**;
 - p. Any medical services furnished at a facility maintained by the **Covered Party** principally for the benefit or convenience and use by the **Covered Party's** employees and/or students;
 - q. Civil Code §51, any **Claim** filed under the UNRUH civil rights act;
 - r. Any **Claim** or **Suit** which carries an exposure of an award of plaintiff's attorney fees;
- 4. The **Covered Party** shall cooperate fully with the Authority and, upon its request, assist in making settlements, in the conduct of **Suits**, and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the **Covered Party** because of all **Damages** with respect to which coverage is afforded under this Memorandum; and the **Covered Party** shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses.
- 5. The **Covered Party** shall not, except at its own cost, voluntarily make any payment, assume any obligation or incur any expense; however, in the event that timely notice of the **Claim** has been given to the Authority and the amount of **Ultimate Net Loss** thereafter becomes certain either through trial court judgment or through agreement among the **Covered Party**, the claimant and the Authority, then the **Named Covered Party** may pay the amount of judgment or compromise to the claimant to effect the settlement and, upon such submission of due proof thereof, the Authority shall reimburse the **Named Covered Party** for that part of such payment which is in excess of the **Retained Limit**, or will, upon request of the **Named Covered Party**, and at the sole discretion of the Authority, make such payment to the claimant on behalf of the **Covered Party**.
- 6. The Authority shall be entitled to complete access to the **Covered Party's** claim file, the defense attorney's complete file, and all investigation material and reports, including all evaluations and information on negotiations. The **Named Covered Party** shall be responsible to report on the progress of the litigation and any significant developments at least quarterly to the Authority, and to provide the Authority with simultaneous copies of all correspondence provided to the **Covered Party** in which a demand for an amount that is within the Authority's layer of coverage is made.

- J. No Voluntary Payments: The **Named Covered Party** must obtain the prior, written consent of the Authority before any **Covered Party** may make any payments, assume any obligation, or incur any defense attorneys' fees or costs or any other expense with respect to a **Claim** that is covered by this Memorandum and within the Authority's layer of coverage, and that the **Named Covered Party** therefore expects to be paid by the Authority. The Authority's consent shall not be unreasonably withheld. Except in the circumstances described in Condition I.5., above, any such expenses that are incurred on a **Claim** without the Authority's prior consent, shall remain the obligation of the **Named Covered Party**.
- K. Other Coverages: It being recognized that similar coverage contracts contain Other Coverages Clauses or Other Insurance Clauses, it is therefore intended, understood, and agreed that:
1. Notwithstanding the terms and conditions of any Other Coverage, or Other Insurance, Clause or Clauses in any pooled coverage memorandum, or insurance policy or policies, where other coverage is available to the **Covered Party** (whether such policy is issued to the **Named Covered Party** or extends to it as employer, employee, or agent, or in any other capacity), the coverage afforded hereunder is intended to be, and shall be, excess coverage; and under no circumstances shall the coverage afforded hereunder be considered pro rata, concurring, or co-existent.
 2. If any other coverage is available to the **Covered Party**, whether such coverage is called primary, excess, or pro rata with, other valid and collectible self-insurance, indemnity funds, risk-pool coverage, or insurance, or not, the coverage afforded hereunder shall not apply until such other coverage has been exhausted, provided that this clause does not apply with respect to excess insurance purchased specifically to be in excess of this Memorandum.
 3. This Memorandum shall follow the terms, conditions, agreements, definitions, and exclusions that are contained in any other coverage within the **Named Covered Party's Retained Limit** that is available to the **Covered Party**, except with respect to any provisions to the contrary contained in this Memorandum, but in no event shall this Memorandum grant broader coverage to the **Covered Party** than is provided in that other coverage.
 4. If any other coverage is reformed after any **Occurrence, Claim** or **Suit** is filed against or known by any **Covered Party** to retroactively provide coverage, the terms of that reformation shall not apply to this Memorandum.
- L. Right to Assign Counsel: The Authority has the right to appoint and assign legal counsel at its sole discretion.
- M. Right to Associate: The Authority has the right, but not the duty, to be associated with any **Named Covered Party**, or any underlying coverage, in the control, negotiation, investigation, defense, or appeal of any **Claim, Suit**, or proceeding at the sole discretion of the Authority.

- N. Right to Audit: The **Named Covered Party** will keep records needed to compute the contribution in accordance with SECTION VII A., and will send copies of those records when the Authority asks for such records. The Authority has the right to examine and audit all records of the **Named Covered Party** which relate to this program, including claim files, ledgers, journals, registers, vouchers, contracts, disbursement records, and programs for storing and retrieving data. Information developed by the audit will be used to determine contributions. The Authority has the right to conduct audits during regular business hours while this Memorandum is in force and within three years after the date of the final settlement of all **Claims. Suits** or any payments made under this Memorandum throughout the term of this Memorandum. The **Named Covered Party** shall reimburse the Authority for all expenses that the Authority reasonably and necessarily incurs in performing a field audit of any liability **Claims** or **Suits** against the **Named Covered Party**.
- O. Severability of Interests: The term **Covered Party** is used severally and not collectively, except when preceded by “a” or “any”. The limit of liability and **Retained Limit** as stated in the Declarations apply separately to each **Named Covered Party**, except as provided in Section III.A.2. above.
- P. Subrogation: Inasmuch as the coverage provided hereunder is excess coverage, the **Covered Party's** right of recovery against any person or other entity cannot be exclusively subrogated to the Authority. It is therefore agreed that in the event of any payment under this Memorandum, the Authority shall act in concert with all other interests (including the **Covered Party**) concerned, in the exercise of such rights of recovery. Any amounts so recovered shall first be applied to reimburse any interests, if any, that have paid an amount over and above any payment that is made hereunder by the Authority, up to the amount paid by such interest; the Authority will then be reimbursed, out of any balance then remaining, up to the amount paid hereunder; and all interests (including the **Covered Party**) as to which the coverage provided hereunder is excess, will be entitled to the remaining amount, if any. The costs of pursuing such recovery shall be apportioned between those who recover payment, in proportion to their respective recoveries. The **Covered Party** shall execute and deliver all instruments and papers and do whatever else is necessary to transfer and secure all of its rights of recovery against any person or organization to the Authority and all other interests concerned. The **Covered Party** shall do nothing at any time to prejudice such rights.
- Q. Statutory Provisions: Terms of the Memorandum which are in conflict with the statutes of the State of California are amended to conform to such statutes.
- R. Termination: This Memorandum, and all coverage provided thereby, may be terminated at any time in accordance with the Bylaws of the Authority.

SECTION I - COVERAGES

Section I, paragraph D. is hereby added:

- D. Subject to the **Retained Limit**, the Authority agrees to reimburse the **Named Covered Party** those sums for **Ultimate Net Loss** in excess of the **Retained Limit** which the **Named Covered Party** shall become legally obligated to pay as **Damages**, by reason of liability imposed by law because of negligent hiring, retention, or supervision of an **Employee** resulting in **Childhood Sexual Assault**, or failure to comply with any statute requiring the mandatory reporting of any known or suspected **Childhood Sexual Assault** by the **Employee** provided that the **Claim** or **Suit**, if no prior **Claim** or **Suit** has been tendered to the Authority, is first received by the **Named Covered Party** during the **Coverage Period** and reported to the Authority in compliance with SECTION VII, Conditions, paragraph C., subsection 3, below. For purposes of this Coverage, acts of **Childhood Sexual Assault** by an **Employee**, or **Employees**, that commenced while the victim(s) were minors but continue with sexual molestation or assault after the victim(s) reached the age of majority shall be considered part of the same **Childhood Sexual Assault**.

SECTION III - LIMITATIONS UPON THE AUTHORITY'S LIABILITY

Section III, paragraph E. is hereby added:

- E. The **Ultimate Net Loss** is the most the Authority will pay regardless of the number of **Named Covered Parties, Covered Parties, Claims, and Suits** arising out of the same or related **Childhood Sexual Assault**. All **Damages** arising out of **Childhood Sexual Assault** acts by the same person, or two or more persons acting together, during any period of coverage provided by the Authority to the **Named Covered Party** shall be considered one **Claim** or **Suit** and subject to one **Retained Limit**, regardless of the number of **Childhood Sexual Assault** acts, the number of claimants, civil actions, claims, or persons acted upon, or the period of time over which such acts occur. If such **Claim** or **Suit** relating to the same **Employee(s)** involves more than one Member district, the provisions of Section III, paragraph A., 2. shall apply.

SECTION V - EXCLUSIONS

Section V, paragraph C.

- C. To any liability for **Damages** arising out of any act that is expected or intended from the standpoint of the **Covered Party**, including but not limited to assaults and batteries.

Subsection 2. Is hereby added:

2. This exclusion does not apply to **Childhood Sexual Assault**. See Exclusion LL.

Exclusion HH. does not apply to this endorsement.

Exclusion LL. is hereby added:

- LL. The following exclusions apply to **Claims** or **Suits** arising out of or in any way related to **Childhood Sexual Assault** or related series of **Childhood Sexual Assault** as described in Section III.E:
1. Any **Childhood Sexual Assault** that ended prior to the **Retroactive Date** shown in the Liability Declarations Page;
 2. Any **Claim** or **Suit** which is made or **Child Sexual Assault** that takes place after expiration of the **Coverage Period** except as provided in Section VII., paragraph 3;
 3. Any **Claim** or **Suit**, notice of which was previously provided to the Authority prior to the **Retroactive Date** shown in the Liability Declarations Page;

4. Any **Claim** or **Suit**, notice of which was previously provided to the Authority after the **Retroactive Date** but prior to the **Coverage Period**;
5. Any **Childhood Sexual Assault** that is expected or intended by the **Covered Party**.

This exclusion does not apply to a **Claim** or **Suit** until it is determined by the Authority, in its sole discretion, that the **Claim** or **Suit** arose out of the **Covered Party's** intended or expected **Childhood Sexual Assault** act, which shall not be imputed to any other **Covered Party**.

6. Any **Claim** or **Suit** caused by or resulting from, in whole or in part, a failure to comply with any statute requiring the mandatory reporting of any known or suspected **Childhood Sexual Assault**.

This exclusion does not apply until it is determined by the Authority, in its sole discretion, that the **Claim** or **Suit** arose out of the **Covered Party's** intentional, knowing, or willful failure to comply with the statute, or a conscious disregard of the statutory reporting requirements, which shall not be imputed to any other **Covered Party**.

SECTION VI - DEFINITIONS

Definition Y. is hereby added:

- Y. **Retroactive Date** means: The date shown in the Declarations for **Childhood Sexual Assault**.

SECTION VII - CONDITIONS

SECTION VII, paragraph C. Notice of Accident or Occurrence, Claim, or Suit, subsection 3.:

3. Irrespective of the amount of **Damages** sought or the probable dollar value of the **Claim**, all **Claims** or **Suits** alleging **Childhood Sexual Assault** that are served upon the **Covered Party** shall be reported to the Authority no later than sixty (60) days after their receipt by the **Named Covered Party**, or, if the **Named Covered Party** is a member of a joint powers agency which provides risk-pool coverage below the Authority's point of attachment, within the reporting time mandated by the joint powers agency Memorandum of Coverage, and thereafter to the Authority no later than sixty (60) days after their receipt by said joint powers agency, if they involve any of the following:

Subsection s. is hereby added:

s. **Childhood Sexual Assault.**

1. Any other **Claim** or **Suit** that later arises out of **Childhood Sexual Assault** by the same **Employee(s)** that was involved in the timely reported **Claim** or **Suit** shall also be reported in compliance with this paragraph, and will be deemed arising out of the same **Childhood Sexual Assault**.

SECTION VII, paragraph S. is hereby added:

- S. If either the **Named Covered Party** or the Authority cancels or does not renew this Memorandum for a reason other than non-payment of premium or non-compliance with the terms and conditions of this Memorandum the **Named Covered Party** may purchase, subject to the Authority's board approval, an extended period of time to report a **Claim** or **Suit** that is first made to the Authority after the expiration of the **Coverage Period** and arising out of an **Occurrence** involving **Childhood Sexual Assault** that first began after the **Retroactive Date** and ended prior to the expiration of this **Coverage Period** subject to the following conditions:
1. The **Named Covered Party** must make a written request for this extended time to report to the Authority within 30 days after the end of the **Coverage Period**.
 2. Coverage under this extended period of time to report shall not apply to any **Claim**, or **Suit** that has been previously reported to the Authority.
 3. If the Authority's board approves of and authorizes the issuance of any extended time to report, the additional premium for this extended period of time to report must be paid in full within thirty (30) days of the date the board authorizes the issuance notice to the **Named Covered Party**. Such premium is fully earned as of the date of issuance and no portion of this additional premium shall be returned for any reason to the **Named Covered Party**.
 4. Coverage under this extended period of time to report does not apply to any **Occurrence** that first began after the end of this **Coverage Period**, nor does coverage apply to any **Occurrence** that continues after the end of this **Coverage Period**.
 5. The coverage provided under this extended period of time to report is part of, and not in addition to, the **Ultimate Net Loss**, or any remainder thereof, as of the end of the **Coverage Period**.
 6. If any other coverage is available to the **Named Covered Party**, whether such coverage is called primary, excess, or pro rata with, other valid and collectible self-insurance, indemnity funds, risk-pool coverage, or insurance, or not, the coverage afforded by this extended period of time to report shall not apply.
